I've been enjoying the overflow from this past weekend. But I must say that as I've been enjoying it, the adversary has been attempting take me out of the place of overflow. He has no power to do that.....he just keeps sending things to cause me to step out of this place. However, isn't that why we are placed in overflow in the first place? To be able to do battle against the enemy you must have some power and you must utilize that power against the enemy of your soul. It's up to you....God has given us power to stand in the face of the devil and rebuke him and the devil has to move....he may act up for a while but he can't stay before you.

As I said earlier, I've been enjoying the overflow but as I reflect on the services and the presence of God that was manifested, I remembered something that happened during the Saturday service. Right at the onset of the service, we started smelling smoke.....no one got alarmed.....a few people stood up and began looking for the source of the smoke while the congregation continued to say "thank you Jesus".....the smell grew slightly stronger but no one panicked....as they searched we all just said "thank you Jesus".....one sister said, "satan, you're under my feet" and she stomped her feet a few times and the praises continued. Everyone was looking around as they said those three words....the children were calm....finally, they found a speaker was the culprit.....a gentleman carried it out....and then the real praises began.....and that was the beginning of a tremendous move of God.....overflow.....whatever and/or whoever is trying to stop you from walking in the presence and overflow of God, know this, stand against it in Jesus name and watch the devil flee.....

What will you do in your overflow?

.....Get thee hence, satan...(Matthew 4:10)

Verily I say unto **you**, **Whatsoever** ye shall **bind** on earth shall be bound in heaven: and **whatsoever** ye shall loose on earth shall be loosed in heaven. (Matthew 18:18 KJV)
